ENERGY WARRIOR

B SIDE

MOLECULE MAN

Chemical pollution and neglect have turned our wonderful blue green planet into a grey waste, apart from a few remaining areas, where the old beauty is maintained with the help of aura energy generators. You are the warden for three of the largest reserves. Normally your life is quiet, simple and peaceful. However your precious territory is under threat from hordes of displaced aliens that want to come and squat.

Fly your craft around the zone, protecting all ten areas from the invading aliens. Kill the aliens to acquire bonuses. A great mix of Strategy and Tactics, requiring skilful play and fast reflexes to succeed.

FEATURES

Fast Parallax Scrolling.
Hundreds of different Aliens.
Bonus Weapons.

One player only.
Joystick only.

PROGRAMMED BY BINARY DESIGN.

EXTRA FREE GAME

MOLECULE MAN

A race against time and radiation to escape from a cruel maze.
